Word from the Editor

The Alumni network of Dr.N.G.P Arts and Science College showcases success in accomplishing the defined objectives. Therefore, to provide an opportunity to those alumni who have made us proud, we are honored to host the Annual Alumni Meet, 2017 and release this newsletter. The intention is to give an opportunity to interact with other alumni, grow and enjoy mutual benefits and also to be instrumental for the development of the institution.

The years spent in college are inevitably the formative years of one's adult life. With this in mind, the Alumni Committee of Dr.N.G.P Arts and Science College seized the opportunity to help graduates from different years in our college's history to reconnect with their alma matter and decided to keep them abreast of the activities undertaken by the current students as well as some of their fellow alumni.

The Annual Alumni Newsletter is thus the product of our humble efforts to bring the students of yesterday and today together on one platform.

This year, the Alumni Association was very happy to launch the new alumni website. This new website will shortly replace the existing Alumni page that can currently be accessed via the Alumni link on the DR.N.G.P Arts and Science college. Over the coming months we hope to redirect anyone clicking the link to the earlier webpage to the new website. Since this is an entirely new website, it requires all alumni to create a fresh login and password and update their contact and other details in the new website. We are grateful to the many alumni who have registered themselves and filled the profile form in the new website. This is an earnest appeal to all alumni who have not done this so far—please do create a login id and fill the profile form online. It is an easy and simple process and the Alumni Office will be happy to help you in this regard.
