DEPARTMENT OF BIOCHEMISTRY

ABOUT THE DEPARTMENT

The Department of Biochemistry started in the year 1997 has produced 660 undergraduates, 450 postgraduates, 80 M.Phil and 20 Ph.D. The department is recognized by DST-FIST in 2014 for the establishment of research facility and by DBT Star in 2018 for enhanced undergraduate teaching. The department has good academic record with distinguished university ranks, good number of publications at National/international journals. The department has received many minor & major projects support to the tune of Rs.2 crores from various local and Funding agencies such as UGC, DST, DBT, ICMR and TNSCST.

TRAINING COURSES CONDUCTED

Dr.N. Kannikaparameswari, Associate professor & Dr.D. Pradeepa, Assistant professor, Department of Biochemistry conducted workshop on “Phytochemical analysis” during 18-19th September, 2018.

Workshop on Phytochemical Analysis

Faculty of Biochemistry, Mr. Rajesh & Mr. Vishnu, Project Assistant, Dept. of Biochemistry conducted a workshop on “Quantification of alkali and alkaline earth metals in Biological samples by flame photometry” on 23rd February, 2019 under DBT- Star Scheme.

Workshop on Quantification of alkali and alkaline earth metals in Biological samples by flame photometry

International Conference on Prospects of Nutraceuticals & Natural Medicine

SEMINARS/CONFERENCES CONDUCTED

International conference on “Prospects of Nutraceuticals and Natural medicine” conducted by Department of Biochemistry & Nutrition and Dietetics on 25.02.2019

GUEST LECTURES CONDUCTED

Prof. M. N. Ponnusamy, Department of Crystallography and Biophysics, University of Madras, Guindy Campus, Chennai delivered special lecture on “Biomolecules - Tools for social relevance” on 12th September, 2018.

Biomolecules - Tools for Social Relevance

Dr. Gurusamy Hariharasudhan, Assistant Professor, Cancer Mutation Research Center (CMRC), Department of Cellular and Molecular Medicine, Chosun University, Gwangju- South Korea delivered lecture in the topic “DNA Damage Repair Response” on 11th February, 2019

ACHIEVEMENTS OF STAFFS AND STUDENTS

- Dr. N. Kannikaparameswari, Associate professor, Department of Biochemistry has cleared SET Exam on July 2018. She has participated in conference on Intellectual Property Rights and Innovations” Organized by PSGR Krishnammal College for Women, Coimbatore on 27th October, 2018.
- Dr. C. Venkatesan has attended Hands on Training on “Stem Cell Culture and Flow Cytometry” at Stellixir Biotech Pvt. Ltd., Bangalore on 15-17th February 2019.
- Dr. T. Indhumathi & Dr. K. Rajathi was participated in National Workshop on “Western Blotting Technique” Organized by Dept. of Biochemistry, PSG College of Arts and Science, Coimbatore on 15-16th February, 2019.
- Dr. K. Rajathi , Associate professor, Department of Biochemistry & Ms. Muthubharathi, M.Sc Biochemistry, Department of Biochemistry has got fund Rs 7500/. for the project entitled “ Effect of Fucoidan mediated zinc oxide nano particles and the cytotoxic inhibition of trial induced apoptosis in prostate cancer PC3 cells” from TNSCST on February 2019 under student project scheme.
- Dr. D. Pradeepa, has attended Workshop on “*In Silico* Molecular Modeling and Drug designing” organized by Bioinformatics Centre and ARIS Cell, Madras Veterinary College, Chennai on 07-11th January, 2019.
- Dr. V. Usha has participated in Three days workshop on Enablers of E-Teaching and E-Learning by the department of Business Administration, School of commerce, Avinashilingam institute for Homescience and Higher Education for Women, Coimbatore on 6th March 2019.
- Dr. V. Dhana Rangesh Kumar has participated in UGC & DBT Sponsored National Seminar cum Workshop on “Genomics and Proteomics-2019” organized by Bioinformatics Infrastructure Facility & Dept. of Biotechnology, Alagappa University, Karaikudi on 06-08th February, 2019.
- Ms. Kanimozhi. P, II M.Sc Biochemistry has got Best Outgoing Student Award by Dr. Kalam Educational Trust for Tribal, Chennai on 28th February 2019 during National Science Day Celebration.
- Ms. J. Aswatha, UG Biochemistry has got admission offer for M.Sc Drug Chemistry from Newcastle University, UK. She got 100% British Council Indian Scholarship. She also got offers from other universities such as Northumbria University, University of Leicester, Bangor University, Sheffield Hallam University and Aston University, UK.
- Mr. T. Aadithyan, B.Sc Biochemistry has got admission offer from five universities such as Nottingham Trent University, Sheffield Hallam University, Aston University, Leeds Beckett University and University of Strathelgde, Scotland.
- Dr. S. Gowri, has participated in Two days workshop on “Computational methods in Drug Discovery” on September 28th and 29th at the Department of Pharmacology, JSS College of Pharmacy, Ooty.

DEPARTMENT OF CLINICAL LAB TECHNOLOGY

ABOUT THE DEPARTMENT

The Department of Clinical Lab Technology, established in the year 2005, offers a unique three year undergraduate programme with a vision to provide high quality education to the students with hands on experience in the state of the art laboratories. The programme was meticulously designed to offer specialization in science stream encompassing a strong knowledge in clinical laboratory techniques and an exposure to social disciplines. The curriculum facilitates the students to acquire diverse knowledge in the field of Biochemistry, Microbiology, Pathology, Immunology, and Molecular biology. The Department of Clinical Laboratory Technology caters to the quest for knowledge in clinical diagnostic technology, with latest application tools. The department successfully produced 12 batches of students since inception.

GUEST LECTURES AND WORKSHOPS

- A guest lecture was delivered by Dr. Sudha Ramalingam, Professor, Department of Community Medicine, PSG Institute of Medical sciences and Research, Coimbatore on the topic “Basics of Research Ethics” on 10th July, 2018.
- An invited lecture was delivered by Mrs. Sashi Chandran, Transactional Analyst, Nitya Gurukula, Coimbatore on the topic “Emotional management for holistic wellness” on 12.09.2018 at Seminar Hall VII.

Lecture on Emotional Management for Holistic Wellness

- Dr. Pavaskar Chellakkannu, LBC India, Chennai Coimbatore delivered a talk on the topic “Advanced technique in cervical cancer diagnosis” on 19.09.2018.
- A hands on training on “Liquid based cytology” was given to the students of KMCH College of Nursing and B.Sc. Clinical Lab Technology on 19.09.2018 at UG Biochemistry Lab.

- Mr. Ganadeepan Lecturer, KMCH, Coimbatore delivered a special lecture on “H & E and PAP smear techniques using body fluids”. Hands on training on Staining Technique was given as a part of the workshop on 23.03.2019.

ALUMNI INTERACTION

Mr. M. Arun Kumar, Biochemist, Bioline, Bangalore interacted with the student on the scope and placement in clinical laboratory on 1.03.2019.

Mr. T.Arun Kumar, Client partner, Access Health Care, Coimbatore, addressed the students on “Career guidance in medical sectors” on 15.03.2019.

Alumni Interaction

STAFF & STUDENTS' ACHIEVEMENTS

- Shobana Ramasamy of III B. Sc. won prizes for group dance conducted by PSG college of arts and science, Coimbatore, PSGR Krishnammal College for Women, Coimbatore, Nehru College of Management, Coimbatore.
- Mohanraj K of I B.Sc. CLT won the Championship in intercollegiate Hockey tournament held at Bharathiar University, Coimbatore.
- Suryaprakash.T of II B.Sc. CLT won II place in Teakwando conducted by Bharathiar University on 08.01.2019
- Sharmila of III B.Sc. CLT won Second Prize in Solo dance conducted by Michael Job College of Arts and Science for Women, on 10.01.2019.

The faculty members, Dr.C. Hemalatha, Mrs. S. Sasikala, Mrs.M. Thiruselvi and Dr. K. Anbalagan participated in FDP on “Quality measures in Higher Education” conducted from 3.12.2018 to 9.12.2018, workshop on “Health Risk Assessment of Nanoparticles” and “Publishing in Premier Journals” conducted by Institutions in and around Coimbatore.

DEPARTMENT OF BIOTECHNOLOGY

ABOUT THE DEPARTMENT

The Department was established in 2002 with the goal of rendering innovative education to the learning aspirants. Biotechnology is being considered as a fast growing arena of research and innovation. Our department offers UG, PG, M.Phil and Ph.D programmes. The Department proves to be a good platform for the budding biotechnologists with excellent infrastructure and instrumentation facilities. At present, the department is functioning effectively with 9 staff members and 258 students.

STUDENT'S PARTICIPATION

The events began from June 2018 with orientation program for freshers followed by Interdepartmental poster presentation Competition on “International Day against Drug Abuse and Illicit Trafficking”. Students participated in Science Academies’ Lecture workshop on “Recent Trends in Microbiology and Biotechnology” organized by Department of Biotechnology, Karpagam Academy of Higher Education, Coimbatore. On 20th July Alumni - Student Interaction on “Career Opportunities for Life Science Students in IT Sector”.

The students of III B.Sc participated in “Entrepreneurship Awareness Camp” organized by Department of Botany, Bharathiar University, Coimbatore from 20th August to 22nd August 2018. Two students of III B.Sc Biotechnology participated in the National Conference on “Recent Innovations in Nanomedicine & Drug Delivery” organized by DDU Kaushal Kendra & Department of Applied Sciences, Mangaluru on September 3, 2018. The students of II B.Sc visited Pasteur Institute of India, Coonoor, The Nilgiris on September 22, 2018. The students of III B.Sc participated in the “Integrated Workshop on Advance Biotechnology Techniques” at Karpagam Academy of Higher Education, Coimbatore.

The students of I M.Sc participated in the National Conference on Biology and Medicine (NCBM’19) organized by department of Zoology and Human Genetics & Molecular Biology, Bharathiar University, Coimbatore on February 7th and 8th, 2019. Extension activity on Public Awareness Programme on “Drug Abuse” at Veeriyampalayam, Karuppurayampalam & Kaikolampalayam, Coimbatore was conducted on February 11, 2019. In connection with National Science Day Celebration, various competitions were Conducted for students of Govt. Middle School,

Perumanallur and Government High School, Pandian Nagar, Thirupur on February 28, 2019. The students of I M.Sc participated and presented paper in National Level Conference on “Vectors and Vaccines”, PSG College of Arts and Science, Coimbatore on March 13, 2019. One day Workshop on “Animal Cell Culture Technique” under the DBT STAR College scheme by Dr. G. Suja, Assistant Professor, Department of Biotechnology, CMS College of Science and Commerce, Coimbatore on March 30, 2019.

FACULTY ACHIEVEMENTS

DR. P. Chidambara Rajan has published 2 papers in International journal, delivered a talk in Dr. R.V. Arts and Science College, Coimbatore, received two months Science Academies’ Summer Research Fellowship at IIT, Mandi. He also got TNSCST student project of Rs.7,500/-.

DR.V.Shanmugaraju delivered a special lecture in TNSCST sponsored programme on Creation of Scientific Awareness for Students, Farmers and Self-help groups. He has attended two months Science Academies’ Summer Research Fellowship at North Eastern Hill University, Shillong.

Mr. Arun. P has published 5 papers in International journal. He has participated in City Camp: Essentials of Scientific Entrepreneurship organized by BIRAC Regional Bioinnovation Center, PSG- Science and technology Entrepreneurial Park, Coimbatore. DR. K. Arungandhi has also attended seven day Faculty development programme on “Quality Measures in Higher Education” during 3rd -9th December 2018 at Dr.N.G.P. Arts and Science College, Coimbatore.

Mrs. M. Shanmugavadivu has published 2 papers in International journal. She has qualified SET in the month of July 2018, participated in Science Academies’ Refresher Course on “Biotechnology Techniques in Biodiversity Conservation” during 10th -24th September 2018 (Two weeks) at Bharathiar University, Coimbatore. DR. L. Nivetha has published 2 papers in International journal and she has attended seven day Faculty development programme on “Quality Measures in Higher Education” during 3rd - 9th December 2018 at Dr.N.G.P. Arts and Science College, Coimbatore.

DR. M. Poongothai has delivered an invited talk in Dr. R.V. Arts and Science College, Coimbatore, attended Two day Workshop on “Computational Methods in Drug Discovery” at JSS college

of Pharmacy, Ooty on 28.09.2018 and 29.09.2018. DR. Radha Palaniswamy has published 2 papers in International journal and delivered an invited talk in Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. She has participated in Faculty Development Programme on “Entrepreneurship - Initiate and Ignite” organized by Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore during 14th - 28th September 2018.

Ms. K. Priyadarshini has participated in One Day National Seminar at Sri Ramakrishna College of Arts and Science, Coimbatore. Also presented a paper at Sasurie College of Arts and Science, Vijayamangalam on February 6, 2019.

ACTIVITIES OF THE DEPARTMENT

NATIONAL WORKSHOP - DAAB'19 : The Department has organized Two Day National Workshop on “Data analytics and its application in Biotechnology” on 14th and 15th February 2019.

NATIONAL SEMINAR - NSBP'19 : The Department has organized One Day National Seminar on “Biodiversity and its Prospecting” on 28th February 2019.

INVITED LECTURES/TALKS : Five invited talks were conducted where resources persons from all over the country were invited.

Science Day Celebration - Dr. S. Krishna Kumar, (DRDO) at Inaugural Address

Alumni Interaction on Career Opportunities for Life Science students

Extension Activity - “Dengue Abuse” at Chinnathadagam

Nanophotomertic Techniques Workshop

STUDENTS ACHIEVEMENTS: Students have won several awards and honours, at Hindustan College, won I Prize in quiz, Biocartooning, just a minute on National Science Day. Research Paper awards were also received by the PG students of the department.

Industrial visit to National Research Centre for Banana (NRCB), Tiruchirappalli on 12.09.2018.

DEPARTMENT OF MICROBIOLOGY

ABOUT THE DEPARTMENT

The department of Microbiology was established in the year 2003 with the postgraduate programme and in 2004 with the undergraduate programme. The research programme comprises M. Phil and Ph. D which were started in the year 2005 and 2007 respectively. The department has a strong link with the Kovai Medical Center and Hospital and other institutions of the trust with more collaborative research projects. The department is armed with well qualified, dedicated and experienced faculty members. The department is committed towards the academic (curriculum and co-curriculum) growth of the students as well as fostering the teaching and research activities of the faculty.

ACTIVITIES OF THE DEPARTMENT

Dr. S. Krishnakumar, Senior Technical Officer, Ministry of Defense, DRDO, Chennai inaugurated the National Seminar on Biodiversity and Its Prospecting (NSBP-19) jointly organized with the Department of Biotechnology on 28.02.2019 at Seminar Hall VII under DBT Star.

National Seminar on Biodiversity and Its Prospecting

Lecture on Lichen Wealth in India and their possible utilization in Applied Research

Dr. S. Sanjeeva Nayaka, Principal Scientist, CSIR- NBRI, Lucknow delivered a session on “Lichen Wealth in India and their possible utilization in Applied Research”

Dr. M. Palanismay, Scientist D, BSI, SRC, Coimbatore gave a talk on “Indian Seaweeds and its prospecting”

An invited lecture on “Micro Algal Biotechnology” delivered by Prof. Dr. N. Thajuddin, Professor and Head, Department of Microbiology, Bharathidasan University, Trichirapalli on

16.08.2018 at NGP Conference Centre under DBT Star.

Lecture on Indian Seaweeds and its prospecting

Dr. Kanthesh, Course coordinator, Molecular Biology, Faculty of Life Sciences, JSS AHMER, Mysuru delivered lecture on “Blood: The Testament of Life from development to disease” on 01.02.2019 at Seminar Hall VII under DBT Star.

Lecture on Micro Algal Biotechnology

Lecture on Blood: The Testament of Life from development to disease

Lecture on Nanotechnology and its Bioapplications

Dr. Yuvraj Haldorai, Ramalingaswami Faculty Fellow, Dept. of Nanoscience, Bharathiar University, Coimbatore delivered a lecture on “Nanotechnology and its Bioapplications” on 16.02.2019 at Dr. N. G. P. IT East Seminar Hall under DBT Star.

Awareness programme on Self Medication

An Awareness programme on Self Medication was conducted through Door to Door campaign to the General public, Periya Thadagam, Coimbatore on 21.07.2018 under DBT Star.

An Awareness programme on Immunization against Lethal Diseases was conducted to the General public, Periya Thadagam, Coimbatore on 21.07.2018 under DBT Star.

Industrial visit to Pasteur Institute, Coonoor

Industrial visit to SACON

The Final year UG students had visited Pasteur Institute, Coonoor on 12.09.2018 under DBT Star. Industrial visit to SACON (Salim Ali Institute for Ornithology and Natural history), Annaikatty for the UG students on 26.02.2019 & 27.02.2019 under DBT Star.

ACHIEVEMENTS OF STAFFS

Mr.S.Senthil Prabhu, Assistant Professor, Department of Microbiology had completed a Training on “Taxonomy, Biodiversity, Ex Situ Conservation and Applications of Fungi” organized by National Fungal Culture Collection of India (NFCCL) at Agharkar Research Institute (ARI), Pune from 21.05.2018 to 28.05.2018 under DBT Star.

Dr. N. Vidhya, Professor & Mrs. C. Sasikala, Assistant Professor attended a National Level workshop on ‘Prospects and Challenges in Algal studies’ at Department of Botany, Catholice College, Pathanamthitta, Kerala on 05.10.2018 & 06.10.2018 under DBT Star.

Dr. A. M. Ramachandran, Assistant Professor and Dr. J. Devakumar, Assistant Professor have participated an International Conference on Research and Development in Bioscience (CRBD-2019) organized by Department of Biotechnology and Microbiology, Kannur University, Kerala from 17.01.2019 to 19.01.2019 under DBT Star.

The Faculty members Dr.S.S.Sudha &Ms. Priyadarshini have participated an International conference on Nanoscience and Nanotechnology (ICONN, 2019) at SRM Institute of Science and Technology, Kattankulathur from 28.01.2019 to 30.01.2019 under DBT Star.

Mrs. A. Kokila Devi, Ph.D Scholar (Oncology) (Alumni of 2004-2007 Batch), Chiba University, Japan delivered a talk on “Opportunities for Research in Japan” on 25.01.2019 at PG Lab, Department of Microbiology

Mr. K. M. Jaganeshwaran (Alumni of 2016- 2018 batch), Executive Quality Controller, Ajinomoto India Pvt Ltd., Chennai delivered a talk on “Importance of Quality Control in Ajinomoto” on 02.02.2019 at UG Microbiology lab.

Mr. Praveen, Quality controller, Suguna Food, Udumalpet delivered a talk to the students on 18.02.2019 about “Opportunities in Food Industries”

Mr. Selvakumar, Quality controller, Suguna Food, Udumalpet delivered a talk to the students on 18.02.2019 about “Opportunities in Food Industries”

Mr. Mathan, Microbiologist, Par Pharma, Chennai delivered a talk to the students on 18.02.2019 about “Opportunities in Pharma Industries”

Achievements of Students

- Ms. S. Divya and Ms. N. Mayurika, III B. Sc., Microbiology have completed Eight week Science Academies Summer Research Fellowship Programme offered by Indian Academy of Science (INSAC), Bangalore.
- Ms. M. Mynumathi, I M.Sc., has received Kavisemmal award in Tamilnadu Ponvizha Competitions and The Young Scientist award from Tamilan TV Channel on 14.02.2019.
- Ms. N. Mayurika and Ms. M. Nivethitha of III B.Sc., has won 1st prize in poster presentation at JSS University, Mysuru.
- Ms. M. Kavipriya, I M.Sc., has been selected for Indian Academy of Sciences Summer Student Fellowship 2019.

PLACEMENT DETAILS

The Department congratulates the following students who were placed in 2019.

Ms. B. Priyanka, Ms. M. Monisha, Ms. G. Vinita and Ms. R. Vinothini were placed as **Microbiologist at KMCH**, Coimbatore

Ms. Shreenithi N was placed at **Visionary RCM**, Coimbatore as **Medical Coder**

DEPARTMENT OF NUTRITION AND DIETETICS

About the Department

The Department of Nutrition and Dietetics was started in the year 2003 with B. Sc Food Science and Nutrition (CA) with well - equipped laboratories & post graduate course in Food and Nutrition was started in the year 2004. The department also extends the activities of research by offering Master of Philosophy in Food and Nutrition from the year 2005 and Doctorate of Philosophy from the year 2016 onwards. The Department has well qualified and experienced faculties.

International National Conference

An International conference on prospects of Nutraceuticals and natural medicine was organized on February, 25, 2019 under DBT star college scheme in collaboration with Department of Biochemistry.

International Conference on Prospects of Nutraceuticals and Natural Medicine

Guest lecture on DIVERSITY IN FOOD

The guest lecture on diversity in food was organised on 5th June, 2018 for the II B.SC Food science and nutrition and II M.SC Food and Nutrition students. The chief guest Mr.Ganesh Tantri, Director, Agneya agro and engineering limeited, Coimbatore addressed the gathering on Diversity in food .

Hands on workshop on "Fruit and Vegetable preservation" Under DBT star scheme hands on training on preservation of fruits & vegetables has been given to III B.Sc., Food Science & Nutrition

students for five days (09/07/2018 - 13/07/2018). This training was handled by Mr.Ganesan.K & Mr.Manoj Jebakumar.A, Demonstration officer Ministry of women and child development, Food & Nutrition Board, Government of India.

Workshop on Fruit and Vegetable preservation

Hands on training of processing of ready to eat foods

Hands on training of Processing Of Ready To Eat Foods was conducted to all undergraduate students of Food Science & Nutrition students on 27th June, 2018.

On 11th February, 2019, our students demonstrated the use of ice

Demonstration for ice cream preparation

cream machine and extruder machine to all other under graduate students by P.Gautham K.Karthikeyan & D.Sandeep of III B.Sc Food Science and Nutrition.

Extension Activity

On 11.02.2019 Extension activity was carried out to create awareness the importance of iron and folic acid rich foods among pregnant and lactating mothers.

On 12.2.2019 an extension activity was conducted in Kaikolampalayam in collaboration with Department of Biochemistry and N.S.S of Dr. N.G.P.ASC, Coimbatore.

ACHIEVEMENTS OF THE DEPARTMENT

Students Achievements : University rank holders :
Undergraduate (2018-2019):
I Rank : E.Keerthana, II Rank : V.Dharani
Postgraduate (2018-2019):
I Rank : Shilpa.S

Faculty Achievements

- Dr. D.Sridevi received “Copy right for PCOS and Best associate award.
- Dr.B.Prema gowri received young scientist award in Nutrition society of India
- Dr.S.Uma maheswari received presentation award in International conference on Personalised Nutrition at PSGCAS.
- Dr.M.Sivasakthi received best paper award from Nature Science.

Guest lecture on Importance of Breastfeeding”- (Breast feeding week-2018)

The students of nutrition took part in the awareness campaign held at Urban Healthcare Center-Peelamedu, in which the Dr.Lakshmi (child-care specialist) created an awareness among the pregnant and lactating mother about the “Importance of Breastfeeding”. The nutrition students explained various stages of child growing and the importance of breast milk to the pregnant and lactating mother.
