## Department of Microbiology

The department of Microbiology was established in the year 2003 with the postgraduate programme and in 2004 with the undergraduate course. The research programme comprises M. Phil and Ph. D which was started in the year 2005 and 2007 respectively. The department has a strong link with the Kovai Medical Center and Hospital and other institutions of the trust where there are a number of ongoing research projects. The department is equipped with well qualified, dedicated and experienced faculty members. The department is committed towards the healthy academic (curriculum and co-curriculum) growth of the students as well as fostering teaching and research activities of the faculty.

**Department of Biotechnology (DBT),  
New Delhi has Recognized Microbiology Department under Star College Scheme  
to empower the Under Graduate Programmes and Sanctioned 82 Lakhs.**
