

### Dr. Mathew Cherian

Chief of Radiology Services and Vascular and Interventional Radiology,  
Kovai Medical Centre & Hospital  
Coimbatore

Dr. Mathew Cherian, Chief of Radiology has nearly 3 decades of experience in radiology and is one of the leading international pioneers in Interventional Radiology. He obtained his MD in Radiology from JIPMER, Pondicherry, following which he completed Post Doctoral in Interventional Radiology at Sri Chitra Tirunal Institute of Medical Sciences, Trivandrum. He joined KMCH as a consultant in radiology in 1991. Dr. Mathew Cherian was the founder member and Past President of the Indian society of Vascular and Interventional Radiology and the current President of the society of therapeutic neuro intervention. He is also the medical advisor for Boston Scientific Corporation (USA), Striker (USA), Medtronic Corporation (USA), Meril India, InspireMD (Israel). Dr Mathew Cherian has more than 100 scientific publications and has delivered more than 260 lectures as an invited faculty at various National and International fora. He has received several awards and honours in recognition of his contribution to the medical field. To name a few, he has received the ISVIR Gold medal for outstanding contribution in the field of Interventional Radiology in India and also the Lifetime Achievement award from IMA. For the last 30 years, he is the chief of radiology services and vascular and interventional radiology at Kovai Medical Center and Hospital. He has developed a dedicated team of interventional radiologists who routinely perform a spectrum of interventional procedures.
