About the College

Dr.N.G.P Arts and Science College was established by the Dr.N.G.P. Research and Educational Trust (Formerly Kovai Medical Center Research and Educational Trust) Coimbatore in 1997. The Department of Biotechnology was established in the year 2002 with the goal of rendering innovative education to the learning aspirers.

About the Department

Department of Biotechnology offers UG, PG, M.Phil and Ph.D programs. The Department is approved and recognized as DBT STAR College Scheme since 2018, which also stimulates research interest as a team from under graduate level. With the support of the Management, DST-FIST and DBT STAR College Scheme and STAR status, we equipped the research labs with modern equipments and infrastructures which kindle research interests among budding Biotechnologists.

About the Programme

The aim is to provide an enriching hands-on biotech learning experience for the students and spark their interest in this exciting scientific domain as a potential career avenue. The pedagogical approach encompasses experiential learning through interactive theory and practical sessions with domain experts.

Key Focus Areas

The program themes and topics are designed to provide the students with an overview and hands-on understanding of important areas of Biotechnology and their real world applications.
