# Science Exhibition – National Science Day -2023

## Center for Research

### Objectives

- To provide a forum to nurture science and inventive interest from the surrounding environment and connecting new ideas to their existing ideas from materials and activities;
- To explore and encourage scientific and technological talent and creative thinking among students and inculcate in them a sense of pride in their talent;
- To developed an understanding about the role of science and technology to meet the needs of the society;
- To analyse how science and technology have affected individuals, cultures and societies;
- To motivate the youth that science and technology are instrument for achieving self reliance in socio-economic development;
- To encourage them as an architect of the nation and visualize future of the nation;
